### **Self-Paced and Instructor-Guided Courses (Tuition: \$0 – no tuition costs for the 2018-2019 academic year)**

The Self-Paced Courses program provides priests and deacons with an extended time in which to complete the work in a course. Courses may be started at any time, but all work must be completed within 8 weeks of enrollment in order to receive credit. Participants who successfully complete all the discussions in each course will receive 4 continuing education credits. Instructor-Guided courses are paced over a 4-week period with definite start and end dates by a live faculty member who will interact with you concerning the materials.
